MADE IN ITALY

Ceramic takes its origin from clay and it is clay itself...simply clay. It is simple beauty.
A magic combination of wind, water, earth and fire, the four primordial elements in the lifestyle and philosophy moulded by the skilful hands of the ceramic craftman.

La ceramica nasce dalla terra ed è terra essa stessa...semplicemente terra. È bellezza semplice, magica combinazione di aria, acqua, terra e fuoco, i quattro elementi primoridiali della vita e della filosofia, plasmati dalle mani sapienti del ceramista.
