

# your dreams, our daily commitment

## Diamo forma ai desideri.

TREND significa tendenza. È vitalità, movimento, evoluzione. È la visione di ciò che sarà espressa attraverso la capacità di eseguire accostamenti materici e cromatici originali.

L'espressione pregiata del Made in Italy incontra lo spirito d'impresa americano che rifiuta ciò che è scontato e prevedibile. Nascono così le suggestioni creative inedite delle nostre collezioni in mosaico, vetro, agglomerato, smalti, ori e pietra naturale: soluzioni d'autore in cui colore, forma e materia si fondono in armonie perfette.

I tuoi sogni sono il nostro impegno quotidiano.

## We give shape to your desires.

TREND means tendency. It is energy, movement and evolution. It is the vision of what is to come, the expression of the ability to carry out original material and chromatic combinations. The craftsmanship of the Made in Italy combined with American spirit, whose refusal of the expected and predictable give birth to the creative and evocative power of our collections of mosaics, coloured glass, agglomerates, enamel, gold leaf tesserae and natural stone: exclusive solutions in which colour, shape and substance fuse in perfect harmony.

Your dreams are our daily commitment.

## Vos désirs prennent forme.

TREND signifie "tendance". C'est vitalité, mouvement, évolution. C'est sa vision du futur à travers sa capacité de réaliser d'inusuelles associations chromatiques et de matière.

Le "Made in Italy" se lie donc à l'esprit d'entreprise américain qui fuit tout ce qui est acquis et prévisible. Et voilà les suggestions créatives inédites de nos collections en mosaïque, verre, agglomérés, émaux et pierre naturelle: des solutions artistiques où couleur, forme et matière se fondent dans des harmonies parfaites.

Vos rêves, nos engagements quotidiens.

## Wir geben Ihrer Wünschen Form.

TREND bedeutet Tendenz. Es ist Vitalität, Bewegung, Evolution. Es ist der Ausdruck der Fähigkeit, Materialien und Farben zu kombinieren.

Der Ausdruck von Made in Italy trifft den amerikanischen Unternehmungsgeist, der was erwartet und voraussehbar ablehnt. Dadurch entstehen die neuen und eigenartigen Suggestionen unserer Kollektionen aus Mosaik, Glas, Agglomeraten, Emailen, Gold und Naturstein: originale Ideen wo Farbe, Form und Material in perfekter Harmonie verschmelzen.

Ihre Wünsche sind unsere tägliche Verpflichtung.

## Démosle forma a nuestros deseos.

TREND significa tendencia. Es vitalidad, movimiento, evolución. Es la visión de aquello que expresamos a través de nuestra capacidad de ejecutar combinaciones de materiales y cromáticos originales.

La expresión preciada de los productos fabricados en Italia se unen al espíritu empresarial americano que descarta lo previsible y lo que se da por descontado. Así nacen las sugerencias creativas inéditas de nuestras colecciones de mosaico, vítreo, aglomerados, esmaltes, oros y piedras naturales: soluciones de creadores en las cuales color, forma y materia se funden en perfecta armonía.

Tus sueños son nuestro esfuerzo cotidiano.

## Придадим форму желаниям.

TREND означает тенденция. Это жизнеспособность, движение, это эволюция. TREND - это мировоззренческая концепция того, что будет выражено посредством способности к оригинальным сочетаниям материалов и цветов.

Это ценное и утончённое выражение стиля "Made in Italy" в сочетании с американским духом предпринимательства, который отвергает все что предвидимо и само собой разумеется.

Так создается оригинальное и креативное очарование наших коллекций из мозаики, стекла, агломератов, смальты, золотой мозаики и натурального камня: авторские решения, в которых цвет, форма и материалы сливаются в единой гармонии.

Твои мечты – это наше ежедневное обязательство.
